One of the ministry's donors from the Jackson, MS area asked us for permission to put up three of these electric billboards in high traffic areas around the city at their expense. They love FamilyLife Today. It has ministered to them time after time.

Each video in the "Stepping Up" series "A Call to Courageous Manhood" has a no nonsense approach that many men say they needed in order to have that wakeup call that produces life change with the power of the Holy Spirit.

Life Change story:

One of the men who went through the DVD series "A Call to Courageous Manhood", approached his pastor after viewing session 3 of the study and was very excited. He is sixty-one years old, and he said, "Pastor, I wasn't there for my kids. I made a lot of mistakes, and I have a lot of regrets, but I am determined to go through this Bible study a second time so that I can train to become a mentor and a patriarch to a young man in our church who lives in a fatherless home." He was so excited that God has given him an opportunity of redemption.

The 2013 FamilyLife Staff Wives Retreat

Lisa has been busy as part of the team preparing and hosting the annual retreat for our staff ladies. It was held at the local area 4-H Center. Lisa spent the weeks leading up to the event cooking and creating to bless the women. The speaker was Lynelle Zandstra from Pine Cove Christian Camps. She encouraged the attendees with an admonition from Galatians 6:9. NEVER GIVE UP. A timely reminder for us all!

Preparing for another road trip...

Next week we begin our last big trip of the year. We are preparing for a two-week trip through Arkansas, Tennessee, Georgia, Alabama, and Mississippi. Our goal is to make 20-25 visits during this trip. We plan to share the life changing work of FamilyLife, offer help and hope to hurting families and invite others to join us in the work of building the kingdom of God one family at a time.

Our purpose on our trips is always three fold:

To offer help and hope to those who need Christ.

To share ideas and offer resources to those who are in the trenches of local ministry.

To offer Christians with a passion for

marriages and families the opportunity to join us in our ministry through financial and prayer support.

This trip will be quite different for us since it will just be Nick and Lisa traveling. Over the years we have been blessed to bring our lovely daughters along with us. Now that they are older and have school and work commitments they will be staying at home.

We covet your prayers for safety, for the wisdom to see and hear the needs and the opportunity to speak God's truth into lives.

Thank you in advance for your faithfulness to pray for us during this time of ministry and travel.

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. - Galatians 6:9

Hope and Peace to you from our God our Father
