Prayer & Praise:

1. Katie's epilepsy has stabilized and there have been no seizures in over a month.
2. We were blessed with more than enough donations to cover our year-end expenses. Thank You!
3. Pray for the couples who are booked on the Love Like You Mean It cruise. Pray that they will hear God's message of love for them.
4. Pray for the spring kick-off of the WTR's & the couples who will attend. Pray for softened hearts and saved marriages.

I thank my God always when I remember you in my prayers, because I hear of your love and of the faith that you have toward the Lord Jesus and for all the saints, and I pray that the sharing of your faith may become effective for the full knowledge of every good thing that is in us for the sake of Christ. For I have derived much joy and comfort from your love, my brother, because the hearts of the saints have been refreshed through you. --Philemon 1:4-7

If there was ever a time when men needed vision for what it means to be a godly man, this is it. Imagine if we could call men from all walks of life to become courageous, godly leaders in their own lives, marriages, churches and communities.

Well, we can. And it all starts with you.

On the Saturday before the big game, thousands of men around the country will be called and equipped to step up.

Even though Stepping Up Super Saturday is just days away, it's not too late to participate. With FamilyLife's new Stepping Up™ @Home program, you can host a Super Saturday event – right in your own home. This convenient new service allows you to stream videos directly to your computer to share with guests, as well as download all necessary hosting materials.

Sign up any time between right now and **Saturday, February 1.**

Don't pass up this amazing chance to help men step up and follow God's plan.
